

## Foreword

This story and its characters are fictional, but based on many truths. The characters are strictly fictional and do not represent any actual persons, myself included.

Many direct and indirect Scriptures are employed. Where not specifically noted, the Scriptural references are included in the Appendix.

Statements about Freemasonry, the Illuminati and the New World Order are based on extensive research which can be accessed on my Lion of Judah website at [www.lofj.com](http://www.lofj.com) under the End-Times tab. Some readers will question the truth of demonology as portrayed in this book. However, I have directly experienced quite similar situations in my pastoral counseling career.

Warning: Some readers have experienced physical and emotional reactions when reading details about demons, Freemasonry and the Illuminati. If this should happen to you, seek out pastors or ministries who know how to handle these situations. You can search for them on the Internet.

As for my personal background, which many readers like to know, I am a former Director of Management Science at two Fortune 100 corporations, an executive in the software industry and then President of Meals-on-Wheels in Prescott Arizona. I have a BS in Engineering and an MS in Management Science. I became a pastor in 2001, and was the founder of the Gospel of Grace Food & Clothing Bank and the Lion of Judah ministries in Prescott Valley, Arizona. I also served as the Prayer Coordinator for Yavapai County in Arizona for several years. I was reared a Lutheran, became a pastor in a Pentecostal church, and now consider myself to be non-denominational.
